

STATEMENT

WIX Filters branded products are at least an equivalent quality within the meaning of Motor Vehicle Block Exemption Regulation 461/2010 and Supplementary Guidelines Articles (19) and (20).

There use does not compromise the reputation of the network's authorised workshops. In addition, WIX Filters brand products fulfil requirements for use in authorised workshops for maintenance and repair purposes.

A handwritten signature in white ink, appearing to read "Bilicki", is positioned above the printed name.

Sebastian Bilicki

President of the Operations
MANN+HUMMEL FT Poland
